How do Annual Fund Dollars Impact SoA?

As one of the nation's top school's of architecture, our network of over 5,500 alumni have a global impact on design. The impact of alumni designs are felt by millions everywhere, and helps both the school and college achieve national and international recognition. The SoA emphasizes a strong focus on studio culture through scholarly rigor, expectation for excellence, coordinated support courses, engagement of national and international experts, and appropriate facilities and supplies. In order to become THE leader, we need your financial support. Donations, big or small, can impact a students life and educational experience, provide tools and technology necessary to be on the leading edge, host expert guest speakers and exhibitions.

This request is for you to consider donating to the **Friends of Architecture** program. Your donation of \$100 or more towards the annual fund will be greatly appreciated by the SoA who will use the funds towards the School's greatest needs in supporting the students and faculty.
