

FRIENDS OF LANDSCAPE ARCHITECTURE

Your guide to giving to the annual fund

How do Annual Fund Dollars Impact Landscape Architecture?

As the oldest in the State's Landscape Architecture program, our network of over 1,000 alumni have a global impact on design. The mission of the Department of Landscape Architecture is to conduct research to enhance the understanding and practice of the profession of landscape architecture, and address societal challenges; train practitioners and scholars who are committed to advancing the efficacy, impact and knowledge of the discipline of landscape architecture; and provide service to the diverse communities of our state, region and abroad. In order to become THE leader, we need your financial support. Donations, big or small, can impact a student's life and educational experience, provide tools and technology necessary to be on the leading edge, and host expert guest speakers.

This request is for you to consider donating to the **Friends of Landscape Architecture** program. Your donation towards the annual fund will be greatly appreciated by the Landscape Architecture director who will use the funds towards the Department's greatest need and assist with forecasting the budget. Thank you for your support of the Department of Landscape Architecture.

YES! I WANT TO SUPPORT THE LA ANNUAL FUND.

- \$100.....a year
- \$500a year
- \$1,000...a year (only \$83.34/month)
- Other _____
