

FRIENDS OF URBAN & REGIONAL PLANNING

YOUR GUIDE TO GIVING TO THE ANNUAL FUND

How do Annual Fund Dollars Impact Urban & Regional Planning?

Urban & Regional Planning is a nationally ranked planning program with a network of over 650 alumni. Known for its creative use of planning information systems and technologies and interdisciplinary research and education in sustainability, planning information and analysis, transportation and land use planning, urban design, housing and community development, economic development, historic preservation and international planning. In order to become THE leader, we need your financial support. Donations, big or small, can impact a student's life and educational experience, provide tools and technology necessary to be on the leading edge of technology, research projects, and host expert guest speakers.

This request is for you to consider donating to the **Friends of Urban & Regional Planning** program. Your donation towards the annual fund will be greatly appreciated by the Urban & Regional Planning director who will use the funds towards the Department's greatest need and assist with forecasting the budget. Thank you for your support of the Department of Urban & Regional Planning.
