

MARGARET HAMMOND CARR

Department of Landscape Architecture
431 ARCH
University of Florida
Gainesville, Florida 32611
352/392-4836-308
mcarr@ufl.edu

1721 NW 10th Avenue
Gainesville, Florida 32605

EDUCATION

Master of Landscape Architecture, North Carolina State University, Raleigh, North Carolina. May, 1983.
Master's Project: Landscape Architectural Studies for Manuel Antonio National Park, Costa Rica.

Bachelor of Landscape Architecture, University of Florida, Gainesville, Florida. June, 1975. With High Honors. Senior Thesis: Impact of Recreational Uses on Florida's Major Terrestrial Plant Communities.

ACADEMIC EXPERIENCE

| | |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| August 2006 to present | Professor UF Department of Landscape Architecture Doctoral Research Faculty, 2005 to present Affiliate Faculty, School of Natural Resources and Environment, 1995 to present |
| August 2008 to present | Head, Interdisciplinary Program in Sustainability and the Built Environment College of Design, Construction and Planning Program |
| May 2012 to June 2015 | Associate Dean UF College of Design, Construction and Planning |
| May 2007 to May 2012 | Associate Dean for Undergraduate Student and Academic Affairs UF College of Design, Construction and Planning |
| May 1999 to June 2001 | Interim Chairperson UF Department of Landscape Architecture |
| January 1999 to 2012 | Co-Director GeoPlan Center UF College of Design Construction and Planning |
| August 1995 to August 2006 | Associate Professor UF Department of Landscape Architecture |
| August 1989 to August 1995 | Assistant Professor UF Department of Landscape Architecture Graduate Research Faculty, 1993 to 2005 |
| August 1988 to May 1989 | Adjunct Professor UF Department of Landscape Architecture |

Teaching Responsibilities:

LAA 3350 Site Planning Studio
LAA 3352 Planting Design Studio
LAA 4210 Professional Practice

LAA 4355 Environmental Planning Studio
LAA 4358 Supervision of Senior Capstone Project
LAA 6322 Project Management
LAA 6382 Ecological and Environmental Policy
LAA 6656 Graduate Design Studio – Environmental Planning & Design
LAA 6971/6979 Graduate Thesis/Project
DCP 7979/7980 Research for Doctoral Dissertation

Research Interests:

- Land Use Change
- Green Infrastructure
- Regional Conservation Strategies
- Greenway/Corridor Design
- Ecotourism
- Recreational Carrying Capacity
- Environmental Policy

Departmental Service:

- Strategic Plan Committee, 2014 - 2016
- Developed Departmental PhD Policy, 2007
- Merit Pay Committee 2004 to 2007
- Interim Chairperson May 1999 to June 2001
- Graduate Coordinator 1998 to 2000
- Graduate Program Committee 1998 to 2007
- Curriculum Committee 1993 to 2007
- Developed Departmental Grade Policy, 1997
- Co-Chair, Faculty Search Committee Spring 1996
- Faculty Advisor, Spring Lecture Series 1993 & Spring 1994
- Developed Departmental Research Policy 1993
- Advisor Omicron Chapter Sigma Lambda Alpha Honor Society 1990 to present
- Coordinator, Studies Abroad Program 1989 - 1990

College Service:

- School of Landscape Architecture & Planning Representative on Faculty Council 2015 - 2017
- College Administrative Council 1999-2001 (in capacity as Interim Department Chair), 2004 - 2006 (in capacity as Faculty's Representative), 2007 to 2015 (in capacity as Associate Dean), 2015 to present (in capacity as Sustainability and the Built Environment Head)
- Member, DCP Dean Search Committee 2015 - 2016
- Chair, Associate Dean for Global and Community Outreach Search 2015
- Chair, M.E. Rinker, Sr. School of Building Construction Director Search 2010 - 2011
- Sustainability Governing Board, 2008 to present
- Rinker School of Building Construction Endowment Committee, 2007 to 2015
- Curriculum Committee, 2002 to 2006, 2007 to 2015
- University Scholars Selection Committee 2003, 2007 to 2015
- Chair, Sustainability and Cities of the World Faculty Search 2008 – 2009
- Co-Chair, National Academy of Environmental Design Water in the Environment Workshop 2008 - 2009
- Chair, Urban and Regional Planning Chair Search 2006 – 2007
- Sustainability Committee 2007 - 2010
- Tenure and Promotion Committee 2006 - 2008
- DCP Dean Search Committee 2005 – 2006
- T&P Policy Ad Hoc Committee October 2004 to December 2004
- Constitution Committee 2003 to 2006, 2015
- Associate Dean Search Committee 2002 – 2003
- College Ph.D. Advisory Committee 1999 to June 2001
- Department of Urban and Regional Planning Faculty Search 1999 - 2000

- Sustained Performance Evaluation Committee 1997 & 1998
- Department of Urban and Regional Planning Faculty Selection Committee 1997 - 1998
- Developmental Leave Committee 1997 – 1998 and 2002 - 2003
- Teacher Improvement Program Selection Committee 1995
- Teacher of the Year Selection Committee 1995 - 1997
- Department of Building Construction Faculty Search, Spring 1993
- Publications Committee 1990 - 1991

University Service:

- Chair, Geospatial Information Task Force, 2014 - 2015
- Preview Speaker for Parent Session, 2014 and 2015
- UF Preeminence Course Climate Change Science and Solutions Development Committee Summer/Fall 2014
- Innovation Academy – Creative Course Judge Summer 2013 & 2014
- Council of Associate Deans, Fall 2007 to Spring 2015
- University Curriculum Committee, Fall 2007 to Spring 2014
- Plaza of the Americas Committee, 2007 and 2011
- Conference Planning Committee: Sustaining Economies and Natural Resources in a Changing World: Key Role of Land Grant Universities held April 2 & 3, 2013 at the University of Florida, sponsored by the Florida Climate Institute, the Institute for Food and Agricultural Sciences and the College of Engineering
- Humanities Common Course Task Force, Summer 2009 – Spring 2013
- Wilmot Gardens Stewardship Committee, Fall 2007 - 2010
- Faculty Senator 1990 - 1992, 1995 – 1996, 2002 to 2005
- Faculty Senate Council on Academic Infrastructure and Support, Spring 2004 to present, Chair 2006 – 2007
- Faculty Senate Steering Committee, 2006 – 2007
- Environmental Stewardship Funds Committee, October 2005 to 2006
- Comprehensive Master Plan Conservation Study Committee, October 2004 to 2006
- Faculty Search Committee, Department of Wildlife Ecology and Conservation, Spring 2000
- Advisory Committee - Ordway Swisher Preserve, 1998 – 2000
- Conference Planning Committee: Land Use in a Growth State, held April 1998, Sponsored by Florida Farm Bureau, Natural Resources Conservation Service (USDA), The Farm Foundation and the University of Florida, Institute of Food and Agricultural Sciences, Tampa, Florida
- Advisory Committee for Graduate Curriculum, College of Natural Resources and the Environment, Spring 1996 to 2001
- Coordinator, School of Forest Resources and Conservation, Austin Cary Memorial Forest Design Competition
- Lakes, Vegetation and Landscape Committee 1991 to 1995, 1999 to Fall 2001
 - Chair Fall 1993 through Spring 1995
 - Chair Fall 1999 through Summer 2000
- Commencement Marshall 1989 - 2001

PROFESSIONAL EXPERIENCE

| | |
|-------------------------------|-----------------------------------------------------------------------------------------------|
| November 1988 to June 1991 | Landscape Architect (Self-Employed) Gainesville, Florida |
| October 1985 to November 1988 | Senior Landscape Architect Post, Buckley, Schuh and Jernigan, Inc. Tallahassee, Florida |
| June 1983 to October 1985 | Landscape Architect Post, Buckley, Schuh and Jernigan, Inc. Tallahassee, Florida |
| January 1983 to June 1983 | Landscape Architect Florida Division of Recreation and Parks Tallahassee, Florida |

| | |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| May 1981 to June 1983 | Landscape Architect Self-Employed San Jose, Costa Rica and Tallahassee, Florida |
| November 1978 to April 1981 | Landscape Architect North Carolina Department of Natural Resources Division of Parks and Recreation Raleigh, North Carolina |
| October 1976 to June 1978 | Landscape Architect Florida Division of Recreation and Parks Tallahassee, Florida |
| January 1976 to July 1976 | Associate Planner Broward County Division of Planning Ft. Lauderdale, Florida |

PUBLICATIONS

BOOKS

Carr, M. H. and P.D. Zwick. Smart Land Use Analysis, The LUCIS Model. ESRI Press, Redlands, California, in press release date March 2007

BOOK CHAPTERS

Hector, T.S., M. H. Carr, and P.D. Zwick. "The Florida Statewide Greenways Project, its realization and political context." Chapter 13. Ecological Networks and Greenways: Concept, Design, Implementation. Ed. R.H. Jongmann and G Puglietti, Cambridge Press. April 2003, 28 pages.

HONORS & AWARDS

University of Florida, Florida Blue Key Distinguished Faculty Award 2008

University of Florida Research Foundation Professorship Award 2006

American Society of Landscape Architecture Student Awards, 2004 – Advisor for Ginevra Lewis and Kelly Hughes, 1st place winners in the Graduate Student Research Category, and Jared Smith, special commendation winner in the Undergraduate Student Research Category

Environmental Best Practices Award from the American Association of State Highway and Transportation Officials for the Florida Geographic Data Library project, Co-Principal Investigator with Paul D. Zwick, Associate Professor, Department of Urban and Regional Planning, October, 1999

College of Architecture Teaching Improvement Program Award Recipient, Fall 1994

College of Architecture Teacher of the Year, Spring 1994

Participant in LA Forum on Ecotourism Landscape Architecture, August, 1992

Membership in Sigma Lambda Alpha, The National Honor Society of Landscape Architecture April, 1992

Nomination for College of Architecture Teacher of the Year, Spring 1991

1990 - 1991 Research Development Award, University of Florida Division of Sponsored Research "Studies to Develop a Prototype Land Buffer and Environmental Education Center in Puerto Viejo de Sarapiquí, Costa Rica". (\$5,000.)

Leon County, Florida Environmental Award, 1991 for Florida Department of Law Enforcement Headquarters in Tallahassee, Florida

Leon County, Florida Environmental Award, 1989 for Rosehill, a 500 acre single family residential development in Tallahassee, Florida

Leon County, Florida Environmental Award, 1989 for Mahan Center, a 30 acre office park development in Tallahassee, Florida

Leon County, Florida Environmental Award, 1988 for Remington Green, a 15 acre office park development in Tallahassee, Florida

American Society of Landscape Architects Certificate of Honor for Excellence in the Study of Landscape Architecture, North Carolina State University, 1983

American Society of Landscape Architects Certificate of Honor for Excellence in the Study of Landscape Architecture, University of Florida, 1975

PROFESSIONAL SERVICE:

Member, Eastside High School Landscape Improvement Committee, 2006 to 2009

Chair, US 441 Micanopy Commercial District Design Guidelines Committee, 2005 – 2006 resulting in adoption of Design Guidelines by the Micanopy Town Commission

Member of the Advisory Council, Conservation Trust for Florida, a non-profit land trust dedicated to the protection of the rural landscapes of Florida with a focus on farms, ranches, working forests, and natural areas that provide landscape connections. 2000 to present

Conference Planning Committee: Land Use in a Growth State, April, 1998, Sponsored by Florida Farm Bureau, Natural Resources Conservation Service (USDA), The Farm Foundation and the University of Florida, Institute of Food and Agricultural Sciences, Tampa, Florida

Instructor “Regional Conservation Planning and GIS”, sponsored by The Conservation Fund and U.S. Fish and Wildlife Service’s National Conservation Training Center, Shepherdstown, West Virginia, January, 1998

Member at Large, National Board of Directors, The Honor Society of Sigma Lambda Alpha, 1991 - 1997

Chair National Scholarship Committee, 1991 - 1995, Chair Distinguished Member Committee, 1995 - 1997

Instructor, Georgia Chapter American Society of Landscape Architects, Uniform National Exam Review Seminar for candidates seeking professional licensure, 1991 - 1993

Instructor, Florida Chapter American Society of Landscape Architects, Uniform National Exam Review Seminar for candidates seeking professional licensure, 1989 - 1991

City of Gainesville Historic Parks and Gardens Advisory Board, 1989 to 1993

Landscape Ordinance Review Committee, citizen's advisory board for Leon County, Florida. 1987
Member Steering Committee "Florida, Paradise Regained" A Conference sponsored by Florida Defenders of the Environment, February, 1985

LECTURES OR SPEECHES AT PROFESSIONAL CONFERENCES/MEETINGS

a. International Conferences – Presentations * indicates student

Carr, Margaret H. and P.D. Zwick ‘Alternative Scenarios: Population Growth, Density and the Urban Footprint’. 4th International Network for Tropical Architecture Conference, Organized and hosted by Centre for Advanced Studies in Architecture, Department of Architecture, School of Design and Environment, National University of Singapore, December 2012

Hector, T.S., M. Carr and P. D. Zwick Delineation, prioritization and protection of the Florida Ecological Greenways Network. The 19th Annual Symposium of the U.S. Association of the International Association for Landscape Ecology, Las Vegas, NV, March 2004.

Hector, T.S., M. Carr, P. Zwick, C. Goodison, K. Whitney, C. Berish, J. Richardson, R. Durbrow, and D. Maehr. Delineation of an ecological network to facilitate conservation planning in the southeastern U.S.A. 6th International Association for Landscape Ecology World Congress, Darwin, Australia, July 2003.

Hector, T.S.*, C. Goodison*, M. Carr, P. Zwick, J. Green*, L.C. McCain*, P. Hernandez*, R. Durbrow, J. Richardson, C. Berish, K. Whitney* and W. R. Rieth. Application of a GIS model to identify an ecological network for conservation planning in the southeastern United States. Society for Conservation GIS Conference, Borrego Springs, California, July 2002.

Carr, M.H. Making connections: conserving our wildlife legacy. ASLA-CELA Joint Annual Meeting, Boston, Massachusetts, September 1999.

Carr, M.H., P. Zwick, and T.S. Hector*. Using GIS for identifying ecological greenways and their interfaces with roadway systems at the state and sub-state scales. International Conference on Wildlife Ecology and Transportation, Ft. Myers, Florida, February 1998.

Carr, M. H., P. Zwick, T.S. Hector* and M. Benedict. Florida's statewide greenways planning effort. Conference of the World Conservation Union (IUCN), Montreal, QB, Canada, October 1996.

Carr, M.H. and D. Lambert*. El uso de un sistema de información geográfica para localizar corredores biológicos/The use of geographic information systems to design biological corridors. Paseo Pantera Workshop, Heredia, Costa Rica, September, 1993

Carr, M.H. and D. Lambert*. Analisis y diseño de un red de corredores en América Central/Analysis and design of a network of corridors in Central America. Quarterly meeting of the Central American Commission on the Environment and Development, Tela, Honduras, June, 1993

Carr, M.H. Ecotourism and Land Use Planning in Northeastern Costa Rica. 2nd International Symposium and Workshop: Ecotourism and the Conservation of Wetlands, Bird Habitats, Parks, Rain Forests and Other Natural Areas, Miami Beach, Florida 1990

b. National Conferences – Presentations * indicates student

Zwick, P. and M. Carr. Exploring Geodesign with LUCIS (Land Use Conflict Identification Strategy), College of Environmental Design and Planning, University of Georgia, Athens, Georgia, February 2015 (By invitation)

Carr, M., P.D. Zwick, and T.S. Hector. Geovisioning: for land use planning in a finite world". LABASH Conference (Annual Landscape Architecture National Student Conference), University of Florida, Gainesville, Florida, March 2004. (By invitation)

Carr, M.H.(panelist with G. McNeill and E. Platter-Zybert) New urbanism and its environmental impacts. LABASH Conference (Annual Landscape Architecture National Student Conference), University of Florida, Gainesville, Florida, March 2004. (By invitation)

Carr, M.H. Benefits of Ecological Greenways. National Heritage Rivers Conference, Jacksonville, Florida, January, 2003 (By invitation)

Carr, M.H., P. Zwick, T.S. Hector* and M. Benedict. Florida statewide greenways system planning project: recommendations for the physical design of a statewide greenways system. National Trail Symposium, Orlando, Florida November 2002 (By invitation)

Hector, T.S.*, M.H. Carr, P. Zwick, C. Goodison* and D. Maehr. The relevance of ecological networks to the conservation and restoration of wide-ranging species and biodiversity as a whole in Florida and the southeastern United States. The Wildlife Society Conference, Bismarck, ND, September 2002.

Hector, T.S.*, C. Goodison*, M. Carr, P. Zwick, K. Whitney* and W. R. Rieth. Application of a GIS model to identify an ecological network for conservation planning in the southeastern United States. Natural Areas Association Conference, Cocoa Beach, Florida, September 2001.

Hector, T.S.*, M. Carr and P. Zwick. Identifying ecological reserve networks in Florida and the southeastern United States. Society for Conservation Biology Annual Meeting, Missoula, Montana, 2000.

c. State Conferences – Presentations * indicates student

Zwick, P.D. and M.H. Carr. Designing alternative futures: an application of GIS for land use planning. Growth Management Conference, Tallahassee, Florida, May 2004. (By invitation)

Carr, M.H. and P.D. Zwick, P.D. The Florida greenways planning project decision support model. Florida Department of Environmental Protection GIS Conference, Tallahassee, Florida, October 1998.

Carr, M.H., T.S. Hector*, and P.D. Zwick. Florida greenways linkages. Florida Natural Resource Forum, Center for Natural Resources, University of Florida, Gainesville, Florida, June 1998

Carr, M.H. Public access to lands – lands for whom? Land Use in a Growth State: Issues at Florida's Rural-Urban Interface. Florida Farm Bureau, U.S. Natural Resources Conservation Service, The Farm Foundation, University of Florida Institute of Food and Agricultural Sciences, Tampa, Florida, April 1998.

Carr, M.H., P.D. Zwick, and T.S. Hector*. Greenways at the crossroads: the Florida greenways experience. Florida Public Interest Law Conference, University of Florida, Gainesville, Florida, March 1998 (By invitation).

Carr, M.H. and P.D. Zwick. A decision support model for identifying greenways: the Florida greenways project. Florida Department of Environmental Protection/URISA Workshop, Tallahassee, Florida, June 1997.

Carr, M.H. The use of GIS for conservation land acquisition". 7th Annual St. Johns River Water Management District Partnerships Workshop, St. Augustine, Florida, February 1997. (By invitation).

Carr, M.H., T.S. Hector* and P.D. Zwick. The design approach of the Florida statewide greenways system project. Florida Rails to Trails Conservancy State Conference, Gainesville, Florida, November 1996.

Carr, M.H. and D. Lambert*. The Feasibility of a Continuous Biological Corridor for Central America. Annual Meeting Florida Chapter ASLA, Ft. Lauderdale, June, 1994.

c. Other State and National Lectures or Presentations

Zwick, P. D. and M. H. Carr. Exploring Geodesign with LUCIS. University of Georgia, College of Environment and Design Lecture Series, February 2015. (By invitation)

Pattison, Charles and M. H. Carr. Florida 2060: What will Florida Look Like? Florida Senate Committee on Community Affairs, January 2007 (By invitation)

Carr, M.H. A green strategy: the Florida statewide greenways project. 1st Annual EDAW Sponsored Environmental Lecture at Colorado State University, Ft. Collins, Colorado, February 2002 (By invitation)

Carr, M.H., P.D. Zwick, T.S. Hctor* and M. Benedict. The Florida approach to identification of a linked system of areas of ecological significance. EPA Region IV Science Lecture Series, Atlanta, Georgia, September, 1998 (By invitation)

Carr, M.H, T.S. Hctor*, and P.D. Zwick. The Florida approach to identification of a linked system of areas of ecological significance. EPA Ecosystem Targeting Workshop, Las Vegas, Nevada, July 1998 (By invitation)

Zwick, P.D., and M.H. Carr. Introduction to geographic information systems and the Florida geographic data library using the Florida greenways experience as an example. The Executive Office Florida Department of Transportation, Tallahassee, Florida, May 1996. (By invitation)

Carr, M.H., J. Reynolds, S. Selengut, J. Wilson and M. Leccese. Can sightseeing save the planet? A panel was gathered to discuss this topic and the conversation was summarized by M. Leccese and published in Landscape Architecture, Vol 82:8, pages 53 – 56, August 1992 (By invitation)

CHAIR OR MEMBER OF DISSERTATION/THESIS/THESIS PROJECT COMMITTEES

| Applicant's Role | Student | Research Topic | Home College | Complete Date |
|---------------------------------|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|----------------------|
| Chair 7 Ph.D. Committees | Akbar, Morouje | TBD | Design, Construction & Planning | Est. 2018 |
| | Barth, Dave | The Adoption of Innovation in the Planning and Design Process: Creating High Performance Public Spaces That Contribute to Community Sustainability | Design, Construction & Planning | 2015 |
| | Himschoot, Benjamin | Public Urban Greenspaces in Bogota, Colombia and Curitiba, Brazil | Design, Construction & Planning | Inactive |
| | Chen, Dan | Impact of Public Open Space on Single Family Residential Property Values in Alachua County, Florida | Design, Construction & Planning | 2013 |
| | Zhang, Bo | The Aesthetic Attributes of Green Infrastructure: a Study of the Perceptions of Beauty, Ecological Significance, and Naturalness for a Stormwater Treatment Area by Three College Populations with Different Educational Backgrounds | Design, Construction & Planning | 2013 |
| | Leigh, Meredith | Beyond the Label: a Typology for Assessment and Mitigation of Disparities in the Urban Food Environment | Design, Construction & Planning | 2012 |
| | Hansen de Chapman, G. | Performance Measures of Design Details, Volumetric Form, and Spatial Dimensions of Walkable Streets | Design, Construction & Planning | 2008 |
| Member 9 Ph.D. Committees | Monaghan, K. | TBD | Interdisciplinary Ecology | Active |
| | Zhu, Mingjian | Planning for Sea Level Rise and Land Use Change: Adaptive Conservation Planning and Reserve Design to Conserve Biodiversity in Matanzas River Basin, Northeast Florida | Design, Construction & Planning | 2015 |
| | Patten, I | Measuring Regional and Local Innovative Opportunity | Design, Construction & Planning | 2014 |
| | Guo, Yong | Using Remote Sensing and GIS to Monitor and Predict Urban Growth-Case Study in Alachua County, Florida | Design, Construction & Planning | 2012 |
| | Thompson, B | What Interactions among Natural, Cultural, Social and Economic Capitals Explain the Adoption of Blueberry Cultivation in the Retreat Area of New Jersey During the Period 1800-1950? | Agriculture & Life Sciences | 2010 |
| | Sherrod, A. | The Jungian Mandala in Archetypal Landscapes | Design, Construction & Planning | 2007 |
| | Bhattarya, S. | A Strategy for Identifying and Evaluating Sites for Urban Agriculture: A Case Study of Gainesville, Florida | Design, Construction & Planning | 2005 |

| | | | | |
|--|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|------|
| | Johnson, A.M. | Estuarine Use Planning And The Application of Terrestrial Zoning Principles In An Estuarine System: A Case Study of The Guana Tolomato Matanzas National Estuarine Research Reserve | Natural Resources & Environment | 2004 |
| | Hector, T. D. | Regional Landscape Analysis and Reserve Design to Conserve Florida's Biodiversity | Agriculture & Life Sciences | 2003 |

| | | | | |
|----------------------------------------------|---------------|-----------------------------------------------------------------------------------------------------------------------------------------|------------------------|------|
| Chair or Co-chair 58 Master Committees | Deledda, M. | Visualizing Incremental Growth with Dynamic Suitability Modeling: Alachua County's Growth with the Addition of Plum Creek's Sector Plan | Landscape Architecture | 2015 |
| | Litrico, M.B. | The Feasibility of Achieving Multifunctional Stormwater Basins | Landscape Architecture | 2015 |
| | Simpson, J.M. | Sector Planning and the Environment Is Florida's sector planning process reducing negative impacts associated with urban development? | Landscape Architecture | 2015 |
| | Wiener, A. | Low Socioeconomic Youth's Nature to Agriculture Perceptions Influencing Homeless Shelter Design | Landscape Architecture | 2014 |
| | Luo, Ziquan | | Architecture | 2014 |
| | Li, Yang | A Study on Constructed Wetlands Landscape: The Kidney of the City | Architecture | 2014 |
| | Tian, Xinyi | High-Density Urban Space Design Based on Low Impact Development: Case of Singapore Southern Waterfront Design | Architecture | 2014 |
| | Clem, T. | Rebuilding a Language with the Landscape: A Saint Johns River Blackwater Assessment Program | Landscape Architecture | 2013 |
| | Cook, B | Eco Industrial Parks: Impacts of Resource Flows on Site Planning Decisions | Landscape Architecture | 2013 |
| | Zhang, Yi | Using Geospatial Techniques to Identify Priority Habitats in Matanzas Conservation Cluster | Architecture | 2013 |
| | Wang, H. | Sustainable Stormwater Management Approach for University of Florida Campus | Architecture | 2012 |
| | Berry, J. | Campus Landscape and the Collegiate Experience: Designing Purposeful Spaces for the Contemporary Student | Landscape Architecture | 2012 |
| | Macleod, W. | Livability Enhancements for the Waldo Road Corridor | Landscape Architecture | 2012 |
| | Roncek, J. | An Analysis of the Components of an Effective Feed-In Tariff Program | Architecture | 2011 |
| | Payne, S. | Understanding Vertical Farming in the Context of Urban Agriculture: A Literature Review | Architecture | 2011 |
| | Chen, C. | A Study on Sustainable Riverfront Landscape Design: on Design Strategy Based on Ecological Recovery and Context Protection | Architecture | 2011 |
| | O'Brien, M. | Lands Use Scenarios for Florida's Heritage Heartland | Landscape Architecture | 2010 |

| | | | | |
|----------------------------------------------------|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|------|
| Chair or Co-chair 58 Master Committees | Brown, M. | The Cultural and Ecological Role of the Florida Cattle Ranch | Landscape Architecture | 2008 |
| | Bondo, C. | Master Plan for Charles Towne Landing State Park, Charleston, South Carolina | Landscape Architecture | 2007 |
| | Hawkins, N. | The Aesthetic Treatment of Stormwater | Landscape Architecture | 2006 |
| | Bellamy, J. | Connecting Campus and Community | Landscape Architecture | 2007 |
| | Clark, K. | Fish Camps, Lessons from a Vernacular Landscape | Landscape Architecture | 2007 |
| | Gibson, C. | Sensitive Development and Historic Districts: Recommendations for Connecting to Sense of Place | Landscape Architecture | 2007 |
| | Patten, I | The Use of GIS in Allocating Employment Centers that Minimize Land Use Conflict and Satisfy Regional Economic Potential | Urban & Regional Planning | 2007 |
| | Bradley, M. P. | Florida's Heritage Heartland, A National Cultural Heritage Area Feasibility Study." | Landscape Architecture | 2005 |
| | Randolph, D. | Hydrozone Design: Resources in Support of Water-Conserving Landscape Ordinance Design Requirements in Pasco County, Florida | Landscape Architecture | 2005 |
| | Werndli, M. | A Dynamic GIS Model for Allocating a Growing Population." | Landscape Architecture | 2005 |
| | Stewart, L.M. | A Network Application for Updates to the Florida Greenways Network | Urban & Regional Planning | 2005 |
