

**UNIVERSITY OF FLORIDA  
DEPARTMENT OF LANDSCAPE ARCHITECTURE**

**SYLLABUS**

**LAA 4905      Special Studies in Landscape Architecture      1-6 Credits      Varies**  
Prerequisites:    None

**General**

This is an elective, self-directed course for majors and non-majors who wish to investigate a specific area of landscape architecture. This course may be repeated for credit with a change of topic.

**Goal**

The primary goal of the course is to provide students with research and/or design exploration of a specific topic of interest to the individual student under the advisement of an instructor who will monitor and critique the student's progress.

**Objectives**

Variable

**Performance**

Since this is self-directed study, there must be agreement between the student and instructor as to final products. The study must be substantially completed in the semester taken.
