Course Schedule:

A detailed course schedule, with a week-by-week topic list and due dates for readings, quizzes and assignments, is provided on the **e-Learning** course website: elearning.ufl.edu.

Evaluation of Grades:

Two, 1-hour lecture periods and one, 2-hour lab session will be held each week. Text readings and graded e-Learning quizzes should be done before the lecture in which they are discussed. See the detailed course schedule for due dates. Students are responsible for the content of all reading materials, whether or not the material is covered in class. We will also discuss current issues and articles may be posted to the class website for review. During weekly lab sessions, graded in-class assignments will be given to reinforce topics from lecture and guest speakers may be invited to share their perspectives on the construction industry. The lowest score for quizzes and in-class assignments will be dropped.

Becoming comfortable presenting your ideas is a key objective for this course. Each student will prepare and give two presentations during the semester: one as a brief overview of a company attending the Rinker Career Fair (3-4 minutes) and another more detailed discussion of an assigned HBR article (4-6 minutes). Should public speaking be a concern, please contact the instructor as early as possible.

Two midterm exams will be given throughout the semester. These exams will be held during class time, specifically during a weekly lab session. The format may include short answer, essay, multiple choice, and/or sketches. A *comprehensive* final exam will be given during finals week as scheduled by the Rinker office. **Note: The final exam does NOT match the University schedule.**

Final grades will be calculated based on the following weighting:

Mid-term exam 1	100
Mid-term exam 2	100
Final exam	100
e-Learning quizzes (HBR/textbook)	100
In-class assignments	100
Company presentations (4-minute)	50
HBR reading presentation (6-minute)	50
Ethics essay paper	100

You are responsible for addressing grades within one week of the grade being posted on the course's e-Learning website. After one week, the grade stands for the class regardless of cause or circumstance.

Grading Policy:

Final grades will be assigned according to the following scale. Divide the total points you earn by the total possible points to obtain your percent. Decimal points will not be rounded.

Class Attendance and Make-Up Policy:

Attendance is strongly encouraged. Extra credit points are occasionally awarded for attendance and participation in the lecture. Late quizzes, in-class assignments and essays will be accepted with 50% reduction of potential points, no later than the start of the next scheduled class. Make-up tests must occur within three days of original exam date. Only one make-up exam is allowed per semester. Requirements for attendance, make-up exams, assignments and other work in this course are consistent with UF policies found at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

Students Requiring Accommodations:

Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Course Evaluation:

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <https://evaluations.ufl.edu>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at <https://evaluations.ufl.edu/results/>.

Class Demeanor:

It is expected that everything submitted for a grade will be professional, with correct spelling and grammar. The goal is for all work to represent what you would submit to your immediate boss in a job scenario. For in-class assignments and quizzes: 10 points are awarded for going above what is asked, 8-9 points for meeting the minimum of what is expected, and 5-7 points for quality work that may not be correct in scope. When available, use software to produce your work.

Cell phone use is not allowed during class time. Set your cell phones to vibrate or silent while in the classroom. Use of cell phones during an exam will result in failing the exam.

No work will be accepted via an e-mail submission. All assignments should be uploaded to the appropriate drop box on the course's e-Learning website. *Please try to communicate with me during office hours and before or after class periods.* You are important to me as a student—I am simply overwhelmed with electronic communication and will respond to e-mails at my discretion.

Materials and Supplies Fees:

A materials and supply fee of \$7.02 is required for this course.

University Honesty Policy:

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment."
