****ADDITIONAL RESOURCES:** *Use resources on the course site under the Resource tab*

****COURSE DESCRIPTION:** This course examines the legal aspects of the fire service and the political and social impacts of legal issues. This course includes a review of the American legal system and in-depth coverage of legal and political issues involving employment and personnel matters, administrative and operational matters, planning and code enforcement, and legislative and political processes with regard to the fire service.

****PREREQUISITE KNOWLEDGE AND SKILLS:** *None*

PURPOSE OF COURSE: *This course provides an understanding of the legal and political system as it pertains to the fire service.*

COURSE GOALS AND/OR OBJECTIVES: By the end of this course, students will:

1. Identify potential legal and political issues in fire and emergency services.
2. Describe legal lessons learned from recent cases, and identify best practices in the fire service to avoid legal liability.
3. Analyze and apply legal rules and political issues to manage risk.
4. Formulate political and legal conclusions and recommendations based on the analysis.
5. Locate and apply recent legal and legislative online resources.

**** HOW THIS COURSE RELATES TO THE STUDENT LEARNING OUTCOMES IN THE FIRE EMERGENCY SERVICES PROGRAM:** *As many aspects of Fire and Emergency Services are intertwined with the law, the student shall demonstrate knowledge and legal application of safety, health and environmental regulations at state and federal levels. The student shall also demonstrate strong verbal and written communication skills for leadership in fire and emergency services.*

****TEACHING PHILOSOPHY:** *I am looking for students to demonstrate a working knowledge of the subject. You need to be creative when you complete your assignments but maintain a professional appearance of your work. Your work needs to be complete and in such a manner that someone can pick up your document and understand what you are trying to convey. And most of all, your work needs to be supported with research and cited in properly in APA format.*

****INSTRUCTIONAL METHODS:** *The course is designed for individual and group interactivity. It is important to post and respond to discussion questions in the course within the time frame allotted. This provides a learning environment by networking with other students in the course. The assignments are individual base to give you the opportunity to do a variety of activities, in many cases, similar to what you will be doing in role as a leader in the emergency services profession.*

COURSE POLICIES:

ATTENDANCE POLICY: *The course is designed in module format. You should check the site at least once a week. You are required to complete the assignments including discussion questions within the time period designated on the module. There will be meetings set up throughout the course.
