

**Di Wei (2019-12-03 update)**

(+86)18607199612, weidi\_0522@foxmail.com

School of Architecture and Urban Planning, Huazhong University of Science and Technology,  
1037 Luoyu Rd, Hongshan District, Wuhan City, Hubei Prov., China

**a) Education**

Master's Degree in Architecture, Huazhong University of Science and Technology, China

Advisor: Prof. Baofeng Li **09/2018-Present**

Bachelor's Degree in Architecture, Hubei University of Technology, China **09/2013-06/2018**

**b) Selected Awards and Honors**

- National Scholarship, China 10/2019
- National Scholarship, China 10/2017
- National Scholarship, China 10/2016
- The 9<sup>th</sup> National College Students Advanced Mapping Technology Competition  
Personal All-Round First Prize, China 07/2016  
Group First Prize, China 07/2106
- Excellent Graduation Design, Hubei Province 06/2018
- Hubei University of Technology Outstanding Graduates 06/2018
- Outstanding Student Leaders, Hubei University of Technology 2014-2016
- First-level scholarship for all seven years 2013-2019

**c) Papers**

- Di Wei, Hui Zhang, Hui-Hui Wang (2019), Applicability Analysis of Passive Energy-saving Design for Residential Buildings in Hot Summer and Cold Winter Areas. *Huazhong Architecture*, 2019(3), p28-31
- Hui Zhang, Hui-Hui Wang, Di Wei (2018), Optimization Analysis of Building Performance Design Based on Genetic Algorithm-Taking Residential Building as an Example. *Proceedings of the 2018 International Green Building and Building Energy Conservation Conference*
- Hui Zhang, Xuan Zhou, Di Wei (2016), Research on Green Building Design Strategy of Large Space Building-Taking Taiyuan South Railway Station as a Case. *Advances in Energy Science and Chemical Engineering*, 2016, p369-373

**d) Work Experiences**

**Prof. Bao-Feng Li Architectural Studio**

**06/2018-Present**

Assistant architect

- Assisting Prof. Li in several project management and project reporting.
- Planned and evaluated of the projects in the early stage.
- Did energy simulation and performance evaluation of projects.
- Responsible for the project design works.
- Involved Projects
  1. Assistance to the Sonia Ngorongoro Geopark Project

2. The Constructive Detailed Planning and Architectural Design Project of the Wangjiazhai International Research Camp in Enshi, Hubei, China
3. Xingze Ancient Great Lakes Geological Relics Protection and Geological Culture Museum Design Project, Henan, China

**Zhongnan Architectural Design Institute Co., Ltd.**

**07/2017-10/2017**

Assistant architect

- Assisted Chief Architect Li Wang in project planning and architectural design.
- Responsible for architectural design and construction drawing works.
- Involved Projects
  1. Architectural Design of Chengnan Sports Center in Jiangshan City, Zhejiang, China
  2. Yangtze University South Expansion Design Project, Hubei, China

**e) Exhibitions& Extracurricular Activities**

- Participated in Joint-Design Studio with IUAV University of Venice.  
The design works exhibited at the Exhibition in Palazzo Zen, Venice, Italy 06/2019
- The design works exhibited at the 7th Fine Art Exhibition of Universities, Hubei, China 09/2017
- The design works exhibited at the 3th Architectural Biennale of Wuhan, Hubei, China 12/2015
- Spoke as a freshman representative of the School of Architecture and Urban Planning, HUST 09/2018
- Led the team to participate in summer social practice and taught in the countryside, Huangshi, Hubei, China 08/2016
- Held a post of Student Union Organization minister 2015-2016

**f) Skills**

- Proficient in parameterization analysis and software of building performance (Grasshopper, Ladybug-tools, Th Sware, IES(VE), Ecotect)
- Proficient in building modeling and mapping software (Rhino, Sketch-up, CAD)
- Proficient in architectural rendering and related software (V-Ray, Lumion)
- Proficient in architectural expression and related software (Photoshop, Allustrator, Indesign)
- Basic use of computer languages (Python)
