---

## Education

- 2020 — Present      **Doctor of Philosophy** in Design, Construction, and Planning  
(concentration in Interior Design)  
University of Florida, Gainesville, FL  
Dissertation: *A Healthier Workplace: Exploring People's Physiological Response, Emotional Responses to Color Tuning and Intensity Tuning of Artificial Lighting in a Virtual Work Environment.*
- 2016 — 2018      **Master of Interior Design**  
College of Design, Construction and Planning  
University of Florida, Gainesville, FL  
Thesis: *Valid Simulation: Exploring Perceptual Differences Between Physical and Virtual Realities.*
- 2008 — 2012      **Bachelor of Arts** in Environmental Art Design & Sculpture  
School of Art  
Sanya University, Sanya, China
- 

## Teaching Experience

- 2021  
*Spring*      **Teaching Assistant**  
Interior Lighting  
Department of Interior Design, College of Design, Construction and Planning, University of Florida
- 2021  
*Spring*      **Teaching Assistant**  
Computer Application in 3D Design  
Department of Interior Design, College of Design, Construction and Planning, University of Florida
- 2020  
*Fall*      **Teaching Assistant**  
Interior Environmental Technology  
Department of Interior Design, College of Design, Construction and Planning, University of Florida
- 2020  
*Fall*      **Teaching Assistant**  
Interior Design Construction Documents  
Department of Interior Design, College of Design, Construction and Planning, University of Florida
- 2018  
*Spring*      **Teaching Assistant**  
Interior Lighting  
Department of Interior Design, College of Design, Construction and

2017  
Spring  
Planning, University of Florida  
**Teaching Assistant**  
Interior Lighting  
Department of Interior Design, College of Design, Construction and Planning, University of Florida

2011  
Fall  
**Teaching Assistant**  
Preliminary Architectural Design  
Environmental Art Design & Sculpture, School of Art, Sanya University

---

## Research Experience

2019 — 2020  
**Research Assistant**  
Shimbery Center for Housing Studies, Dr. Sherry Ahrentzen; & Stephen Bender  
University of Florida, College of Design, Construction and Planning  
Project: *Re-Envision*  
<https://pre.dcp.ufl.edu>

2018 — 2020  
**Research Assistant**  
Shimbery Center for Housing Studies, Dr. Shaboo Valipoor  
University of Florida, College of Design, Construction and Planning  
Project: *CO-design for You: Assistive Technology for Subarachnoid hemorrhage (SAH) Assessments*  
<https://dcp.ufl.edu/news/designing-safer-living-spaces/>

## Peer Reviewed Publications

2022  
McGee, B., **Jin, X.**, Park, N.-K., Ball, S. and Carr, A. (2022), "Designers' perceptions of biophilia and testing of the biophilic interior design matrix in China", *Archnet-IJAR*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/ARCH-10-2021-0279>

2021  
**Jin, X.**, Meneely, J., Park, N.-K. (2021). Virtual reality versus real-world space: Comparing perceptions of brightness, glare, spaciousness, and visual acuity. *Journal of Interior Design*. <https://doi.org/10.1111/joid.12209>

2022  
**Jin, X.**, Park, N.-K., Meneely, J. (2022). Subjective Measurement of Interior Lighting Perception and Emotional States Between Real and Virtual Environments. *Perception and Motor Skills*(to be submitted).

2022  
**Jin, X.**, McGee, B., Park, N.-K., Franceschina, E. (2022) Designer's Perceptions of the Biophilic Interior Design Matrix between U.S. and China. *Journal of Interior Design*. (to be submitted).

---

## Invited Publications

2019  
**Jin, X.** (2019). *Differences in Interior Spatial Understanding Between Physical and Virtual Environments*. Article published at the *IDEA Exchange*, 1, 19-20.

---

## Conference Presentations

### *International Conference*

2019 **Jin, X.**, Park, N.-K., Meneely, J. (2019, August). *Lighting Perception Between Real Environment and VR Environment*. Peer reviewed abstract and presentation at the annual IES Conference, Louisville, Kentucky.

### *National Conference*

2019 **Jin, X.**, Park, N.-K., Meneely, J. (2019, May). *Perceived Differences of Interior Lighting between Real and VR Environments*. Peer reviewed abstract and presentation at the annual EDRA Conference, Brooklyn, New York.

2019 **Jin, X.**, Meneely, J., Park, N.-K., (2019, March). *Differences in Interior Spatial Understanding between Physical and Virtual Environments*. Poster presented at the annual IDEC Conference, Charlotte, North Carolina

### *Local Conference*

2019 **Jin, X.**, Park, N.-K., Meneely, J. (2019, March). Differences in Interior Spatial Understanding Between Physical and Virtual Environments. Poster presented at the DCP Research Symposium, University of Florida, College of Design, Construction, and Planning.

---

## Awards and Accolades

2022 **IDEC Foundation Graduate Scholar Award**  
**\$250.** This scholarship is a conference funding for interior design graduate students who desire to become interior design educator.

2019 **DCP Research Symposium First Place Award**  
University of Florida, College of Design, Construction, and Planning

2019 **IDEC Foundation Graduate Scholar Award**  
**\$1,000.** This scholarship is a conference funding for interior design graduate students who desire to become interior design educator.  
Interior Design Educators Council Foundation

2018 **Grinter Fellowship**  
**\$6,000.** This fellowship helps recruit truly exceptional new PhD or MFA students to the University of Florida.

2018 **Cirino Scholarship for Outstanding Graduate**  
**\$3,800.** This scholarship is designed to provide students who is pursuing studies in interior design.

2010 University of Florida, Department of Interior  
**National College Student interior Design Competition — Showroom Design Finalist**  
China Architecture and Interior Designers Network

---

## Professional Practice Experience

2013 — 2015	Assistant Interior Designer <b>Dong Yi Ri Sheng Home Decoratiion Group Co., Ltd</b> , Tianjin, China Projects invloved: Office Villa in TJ Lake; Yigang Group Office Building; Sinone Group Lectural Hall & Auditorium; Renovation of Baiyangzhaojun Culture Communication Co., Ltd.; Mindu Chamber Renovation.
2012 — 2013	Assistant Designer <b>Voglass (Shangceng) Villa Decoration Co., Ltd</b> , Tianjin, China Projects invloved: Guoyaozixi Villa Design

---

## Affiliated Associations

ASID	American Society of Interior Designers (September, 2018 — Present)
EDRA	Environmental Design Research Association (March, 2019 — Present)
IDEC	Interior Design Educators Council (January, 2019 — Present)
IES	Illuminating Engineering Society (May, 2019 — Present)

---

## Skills

Design Related Skills:	Revit, 3ds Max, AutoCAD, SketchUp, Adobe Photoshop, Adobe Indesign, Adobe Illustrator, CorelDraw, Microsoft Office Suite
Quantative Data Skills:	SPSS, R, Excel
Qualitative Data Skills:	Nvivo, Dedoose
