

BIO:

Nurah is a Ph.D. candidate at the University of Florida, College of Design, Construction and Planning, with a focus on Interior Design. She received her bachelor's in Interior Design from Prince Sultan University, Saudi Arabia, and holds a master's in Interior Architecture from Suffolk University, Boston. Before venturing into research and doctoral studies, Nurah worked as a lecture in the Interior Design department at Prince Sultan University for three years. Her scholarly interests are mostly in Environment and Behavior and Evidence-Based design, specifically in healthcare environments.
