For more information and how to complete the FASA please visit: <http://www.sfa.ufl.edu/applying/timeline/> for additional information. It is YOUR responsibility to ensure that any future aid will not change your current financial aid status (i.e., scholarships, pell grants, loans, etc.) and that it will not max out your financial aid eligibility. It is strongly recommended that you meet with your financial aid advisor in Criser Hall to determine your status and eligibility for any scholarships you apply for PRIOR to applying for them.
