

## The Rinker School of Construction Management

- Established in 1935, we are the oldest and nationally recognized school of construction management in the country.
- Our alumni are routinely managing multi-million dollar projects worldwide.
- The School is the leader in sustainable construction and BIM modeling.
- We have our own in-house job placement coordinator and our own career fair twice per year.
- Average starting salaries in excess of \$68,000
- Opportunities for summer and 8-month internships
- Our competition teams are nationally ranked including construction management, design-build, building information modeling (BIM), LEED, heavy construction, and residential.
- Exchange programs in Germany, Italy, and Australia.
