Sustainability and the Built Environment
Urban and Regional Planning

RECOGNITION CEREMONY

Spring 2023

WELCOME FROM THE DEAN

I am very pleased, on behalf of our faculty and staff, to offer my congratulations to our graduating students and their families, friends and supporters. As both a parent and as a member of our faculty, I know you have worked hard to reach this milestone and I know how proud you must be of this achievement, as you graduate from one of our nation's outstanding colleges and from a great university.

Established in 1925, the College of Design, Construction and Planning is one of the largest and most comprehensive design colleges in the nation. DCP students

graduating today are equipped with the skills and passion to become tomorrow's leaders, joining the more than 17,000 DCP alumni whose work is shaping our world every day.

We are grateful to have a very special guest with us today, DCP alumnus Jon Antevy of e-Builder, as our keynote speaker. Jon is a double DCP graduate, once in architecture and once in construction management, and truly lives up to the OneDCP motto.

This is an exciting time as you close one chapter in your lives and open the next. I am confident that we have prepared you to be successful in your respective professions, but far more important, I am confident that DCP and UF also have prepared you to be outstanding citizens.

I welcome each of you as an alumni of the University of Florida. I hope you will participate in and support the activities of our college and the university for many decades to come. I am confident that you will be active participants in public life and leaders in the community.

Congratulations and welcome to the family of University of Florida graduates!

Sincerely,

Chimay Anumba, FEng, Ph.D., D.Sc., Dr.h.c., P.E.

PROGRAM

Saturday, May 6, 2023, 2:00 p.m. - Phillips Center for the Performing Arts

Presiding **Chimay Anumba**
Dean

Processional **John Maze**
Associate Professor of Architecture and Bagpiper

National Anthem **Sarah Spayd**

Welcome and Introductions **Chimay Anumba**

Keynote Address **Jon Antevy**
e-Builder

Presentation of Student Awards **Nancy Clark**
Associate Dean for Undergraduate Education and Facilities

Student Address **Emily Ellingsen**
Candidate for Bachelor of Science with a major in Sustainability and the Built Environment

Recognition of Candidates **Chimay Anumba and Academic Unit Leaders**

Closing Remarks **Chimay Anumba**

Alma Mater **Sarah Spayd**

Recessional **Chimay Anumba**

KEYNOTE SPEAKER

JON ANTEVY

Jon Antevy is a recognized leader in the field of construction program management software. In 1994, following the completion of his master's thesis research on multimedia and internet applications for the construction industry, Jon launched e-Builder. Before founding e-Builder, Jon spent his summers working for several construction companies as a pre-construction services specialist.

In 1995, Jon was nominated by Engineering News-Record Magazine as one of the Top 25 Newsmakers of the Year for his work to move practical construction applications onto the web for the first time. In October 2012, Jon was awarded the Construction Writers Association's most prestigious honor, the Silver Hard Hat Award. The University of Florida named e-Builder to the Gator100 list four times, which honors the 100 fastest growing Gator-owned or Gator-led businesses in the world. In 2019, Jon helped launch the University of Florida College of Design, Construction and Planning Entrepreneurship Club in an effort to share best practices and lessons learned with the next generation of construction professionals. In 2021, Jon was inducted into the National Academy of Construction where he joined an eclectic assembly of elite members who throughout their careers have made outstanding contributions to the construction industry. In 2022, Jon was inducted into the Junior Achievement Business Hall of Fame, a recognition of leaders who have made a significant impact in their industry and have demonstrated vision, commitment to excellence, courageous leadership and community responsibility.

In 2018, Trimble acquired e-Builder for \$500 million to accelerate the industry transformation by providing an integrated project delivery solution for owners, program managers and contractors across the design, construct and operate lifecycle.

Jon earned a master's degree from the then M.E. Rinker, Sr. School of Building Construction, and a Bachelor's degree in Design from the University of Florida. He remains active with the University and was inducted into the Construction Hall of Fame at the M.E. Rinker, Sr. School of Construction Management in 2020.

ADMINISTRATION

CHIMAY ANUMBA
Dean and Professor

NANCY CLARK
Associate Dean
Undergraduate Education and Facilities
Associate Professor

MARGARET PORTILLO
Associate Dean
Research and Strategic Initiatives
Professor

DAVID RIFKIND
Director and Professor
School of Architecture

ROBERT F. COX
Director and Professor
M.E. Rinker, Sr. School of
Construction Management

Congratulations to
the College of Design, Construction
and Planning Class of 2023!

Alma Mater

Florida, our Alma Mater

Thy glorious name we praise

All thy loyal sons and daughters,

A joyous song shall raise.

Where palm and pine are blowing,

Where southern seas are flowing,

Shine forth thy noble Gothic walls,

Thy lovely vine-clad halls.

Neath the Orange and Blue victorious

Our love shall never fail.

There's no other name so glorious—

All hail, Florida, Hail!

Milton Yeats
