Readings:	As required by faculty in charge
Attendance:	As arranged with faculty in charge
Grading:	S/U. There must be agreement between the student and instructor as to final products and grading. The supervised research must be completed in the semester taken.

Course Objectives:

This is an elective, supervised research course for graduate students with faculty approval who wish to focus on research in an area of urban and regional planning. The primary goal is to provide students with research of a specific topic under the advisement of an instructor who will monitor and critique the student's progress.

Honesty Policy:

Students are responsible for reading and abiding by the University's honesty policy regarding cheating and use of copyrighted materials. Please see the Academic Honesty - Student Guide (<https://sccr.dso.ufl.edu/policies/student-honor-code-student-conduct-code/>)

The Honor Code: We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity. On all work submitted for credit by students at the university, the following pledge is either required or implied:

"On my honor, I have neither given nor received unauthorized aid in doing this assignment."

UF Counseling Services:
