**TEACHING PHILOSOPHY:** Through new knowledge and new experiences, we can develop new ways of seeing. Students and instructors are co-producers of knowledge and together we can create new understanding.

**EXPECTATIONS:** Students can expect from me: enthusiasm for the course and the field of planning, engaging lectures, application of knowledge through classroom activities and fieldwork, organized and neat course materials, and availability to meet outside of class. I expect students to approach the course with enthusiasm and an open mind. I also expect students to come to check-in sessions prepared to actively participate in our class discussions and activities. The University standard is for students to expect to study at least 3 hours for each credit hour. For example, URP6131 is a 3-credit course. Therefore, you should expect to study 9 hours per week outside of class.

**FIRST WEEK OF CLASSES:** The first week of class during the drop/add period will consist of an introduction to the course. Please carefully read the syllabus and complete the Introductory Discussion Board Post.

**A SAFE & WELCOMING CLASSROOM:** It is important to me that you feel welcome and safe in this class; and that you are comfortable communicating with me and your classmates. If your preferred name is not what shows on the official UF roll, please let me know. I would like to acknowledge the name and pronouns that reflect your identity. You may also change your “Display Name” in Canvas. The Display Name is what you want people to see in the UF Directory, such as "Sam" instead of "Samantha." To update your display name, go to one.ufl.edu, log in, and click on the profile icon at the top right. Select “View & Update Profile Information” and click “Edit” for the Name option. Uncheck "Use my legal name" and update how you wish your name to be displayed as Chosen Name. Click "Submit" at the bottom. This change may take up to 24 hours to appear in Canvas. This does not change your legal name for official UF records.

**STUDENT WORK:** The Department of Urban and Regional Planning reserves the right to retain any student work completed in the curriculum for accreditation purposes.

**INSTRUCTIONAL METHODS:** This course is based on recorded lectures, discussion of assigned readings, viewing of multi-media materials, activities, and student research and writing. Class format will combine discussions, lectures, multi-media activities, practice-based activities, electronic communications, and assignments. ***Students are expected to take adequate notes.***

If there are issues, ideas, or readings that you want to bring into the course, please share. You are encouraged to invest some of your time into finding relevant materials of interest and leading discussion on those new ideas.

### **COURSE COMMUNICATIONS:**

**Canvas:** We will use Canvas, UF’s e-learning system, as our online “homebase”. It is your responsibility to check Canvas regularly for announcements related to the course. Readings and changes to the syllabus will be posted on Canvas. You are also encouraged to download the Canvas App and allow notifications, so that you receive announcements and assignment due dates.

To login to Canvas you will need to provide your GatorLink User Name and Password. If you are new to Canvas or have any problems using Canvas, please contact the Help Desk at 392-HELP.

**Email:** I will answer your email as quickly as possible but please allow up to 24 hours for a reply during the week, and 48 hours for a reply on weekends. Proper email etiquette is expected. Professional, courteous standards for all emails and discussions includes:

- Descriptive subject line
- Address the reader using proper title and name spelling (Dr. Dedenbach or Dr. D)
- Body of the email should be concise but have sufficient detail
- Give a respectful salutation (e.g., thank you, sincerely, respectfully)

- Minimize textspeak (e.g., OMG, WTH, IMO)

**Netiquette:** All members of the class are expected to follow rules of common courtesy in all email messages, threaded discussions and chats. Please read the [UF Netiquette Guide for Online Course](#).

## COURSE POLICIES

**PERSONAL CONDUCT POLICY:** Students are expected to exhibit behaviors that reflect highly upon themselves and our University:

- Read and refer to the syllabus
- Be respectful and courteous to your instructor and classmates during class discussions and activities
- Regularly check Canvas for weekly course materials, lectures, and assignments.
- Configure and monitor Canvas messaging to receive important class announcements.
- Submit electronic assignments, papers, presentations, and videos through the designated Canvas submission channels.

**ASSIGNMENT POLICY:** Assignments will be posted on Canvas well in advance of their due dates. **ALL ASSIGNMENTS ARE DUE BY THE POSTED DUE DATES IN CANVAS.** Assignments must be submitted by posting on Canvas. ***Late work will not be accepted.*** It is your responsibility to ensure that your assignments have been successfully uploaded to Canvas. See the Note on Computer or Canvas Problems below.

**Notice:** Certain assignments require attendance at events, such as public hearings. **Review the schedule carefully.** If you have valid reasons for being unable to attend these activities, then it is your responsibility to inform me of the conflict at the beginning of the semester or as soon as you know of the conflict. Accommodations for alternate assignments may only be made in advance of an assignment.

**MAKE-UP/ASSIGNMENT EXTENSION POLICY:** Missed deadlines for unexcused reasons will result in a zero. Examples of unexcused reasons include, but are not limited to, forgetting to do an assignment, being too busy with other coursework or professional work, or going on a family vacation during regularly scheduled class days on the UF calendar. If you are sick or have an emergency that prevents you from submitting an assignment at the scheduled time, it is your responsibility to contact me as soon as possible. Documentation of the illness or emergency may be required. If you need to schedule an extension, please email me with a detailed explanation and attach documentation. Extensions will be given at my discretion. Scheduling extensions is the responsibility of the student.

All assignment deadlines are posted on the syllabus and in Canvas at the beginning of the semester. If you know that you will have excused absences (for example, religious holidays, field trips, professional conferences, participation in official university activities), it is your responsibility to communicate any deadline conflicts well in advance, per UF Attendance Policies.

If you have a serious emergency or life event, please contact the Dean of Students Office ([www.dso.ufl.edu](http://www.dso.ufl.edu)), and they will contact all of your instructors so that you do not have to provide documentation of the emergency in order to make-up coursework. We will work together to create a schedule for make-up coursework upon your return.

**USABILITY AND DESIGN:** I am committed to creating a course that is inclusive in its design. If you encounter barriers, please let me know immediately so that we can determine if there is a design adjustment that can be made. I am always happy to consider creative solutions if they do not compromise the intent of the assessment or learning activity. I welcome feedback that will assist me in improving the usability and experience for all students.

**GROUP WORK POLICY:** There are two types of assignments in this course – individual and group. Design professions have a long history of collaborative, group-based work (such as charrettes), and individual work completed in a group setting (such as studios). As planners, we often work in multidisciplinary groups. For group assignments, you are expected to: Be a good team member. Be on time, be respectful. Be responsive with group communication. In addition, everyone is expected to participate and contribute equally to complete the assignment. If there are problems with group dynamics or participation/effort levels, please come and talk to me.

**COMPUTER OR CANVAS PROBLEMS POLICY:** If you have computer or Canvas problems that prevent you from submitting an assignment, you may receive an extension if you follow these steps:

- Immediately contact the Help Desk (392-HELP (4357) or [helpdesk@ufl.edu](mailto:helpdesk@ufl.edu)) to report the problem and receive a ticket to document the problem. I can only extend the submittal deadline if you have contacted the Help Desk ahead of the assignment deadline and received a ticket. The Help Desk is available by phone and email 24 hours a day, 7 days a week.
- After contacting the HelpDesk and receiving a ticket, contact me, prior to the assignment due time, and let me know there is a problem.
- If you are having a computer problem (hardware, software), describe the problem to me and we'll work out a plan. Examples of an extension-worthy issue: "I dropped my

computer in the parking lot and now it won't turn on." Examples of situations that are not extension-worthy: "I went away this weekend and left my computer behind." "I went to [insert your location here], and there was no internet connection." "My roommate / spouse / child disconnected our wi-fi router." Plan ahead; practice time-management; be resilient by backing up your work frequently to a back-up drive, jump drive, or the cloud. OneDrive, GoogleDrive, and DropBox are available to you at no cost through UF Collaboration Tools.

- If Canvas or the UF Network is experiencing an outage that prevents you from submitting an assignment on time, I will receive a notice from UF IT about the outage. The assignment deadline will be revised accordingly, if needed. Students will not be penalized for system or network outages.

## UF POLICIES

**UNIVERSITY POLICY ON ACCOMMODATING STUDENTS WITH DISABILITIES:** Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, [www.disability.ufl.edu](http://www.disability.ufl.edu)) by providing appropriate documentation. Once registered, students will receive an accommodation letter, which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

**Students submitting an accommodation letter must also schedule a meeting with me to discuss and develop a plan to ensure that access needs are met.**

Students with disabilities have an equal right to use and benefit from resources at the George A. Smathers Libraries, including (but not limited to) Course Reserves materials. To ensure this right, students with disabilities:

- Have the responsibility to identify themselves as needing appropriate, reasonable accommodations for their disabilities
- Have the responsibility for making their needs known in a timely manner
- Have the same obligation as any library user to comply with library policies and procedures

The George A. Smathers Libraries Course Reserves Unit will work with patrons needing assistance or accommodations to access course reserves materials. Please contact the Course Reserves Unit at 352-273-2520, or email at [eres@uflib.ufl.edu](mailto:eres@uflib.ufl.edu) for information or assistance. We

also encourage students to contact and register with the University of Florida Disability Resource Center at 352-392-8565 or at [accessuf@dso.ufl.edu](mailto:accessuf@dso.ufl.edu).

**UNIVERSITY POLICY ON ACADEMIC MISCONDUCT:** As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which states: *"We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity by abiding by the Student Honor Code.* On all work submitted for credit at the University of Florida, the following pledge is either required or implied: *"On my honor, I have neither given nor received unauthorized aid in doing this assignment."* You are expected to exhibit behavior consistent with this commitment to the UF academic community.

You will complete all work independently unless given explicit permission to collaborate on course assignments. We will be using TurnItIn, a plagiarism detection program. **Plagiarism is a serious offense and will result in an honor code violation and potential failure of the course.** The Conduct Code specifies a number of behaviors that are in violation of this code and the possible sanctions. For more information, please read the [Student Honor Code and Student Conduct Code](#). If you have any questions or concerns, please consult with the instructor or TA in this class.

**Important:** For individual assignments, collaboration with other persons, through any medium, is expressly prohibited.

**Important:** The use of ChatGPT, or any form of generative AI tool, to create assignments for this class is expressly prohibited.

**Important:** Publishing course materials (recordings, lectures, assignments, exams, readings) without the instructor's permission is prohibited. UF defines "publish" as to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.

**SOFTWARE USE:** All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate.

**STUDENT PRIVACY:** There are federal laws that protect student privacy. For more information, please see: [FERPA and Confidentiality of Student Records](#)

**COURSE EVALUATIONS:** Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>.
